

## Independed 6 station crate sorting system

### Technical specifications

- **Cycle time:** X sec
- **Capacity:** stacks of up to X EuroPallets  
Up to X Pallets per hour
- **Max. Height:** mm
- **Environmental noise:** 45dB
- **Power Supply:** 3X400V 50Hz
- **Energy consumption:**  
**Total power**
- Average power
- **Air consumption:** 6 BAR
- 

### Features

- Pneumatic lift
- Electric smart conveying system
- Epoxy painted metal frame
- Vision System
- Shrinking device
- 6 Stations
- Automatic Pallet De-stacker

### Handling

- Full/Half crates
- Euro Pallets (1200X1000)
